The President

The University of Toronto

Dear Sir.

In view of the very erroneous statements made in the Toronto papers Telegram & Globe about my coming up to Kapuskasing. I thought that I should write to you explaining matters.

About ten days ago I wrote to Col. W.R. Hang to say that I was quite willing to place myself at the disposal of the Military Authorities for any service within the country on guard or patrol duty for the summer. On Thursday I got orders to come up here. I will certainly

not be in charge but only a humble subordinate and volunteer I presume. I do not indeed know what my duties will be and I see no difficulty about getting back for my University work

I hope this explanation will be satisfactory to you

Yours sincerely

Kathleen F. Henderson

Captain V. W. Henderson,

Kapuskasing Camp,

Cochrane, Ont.

Dear Captain Henderson:

In the absence of the President I beg to acknowledge the receipt of your letter explaining the statements in the Toronto papers regarding your military duties. Before the President left Mr. LePan explained the situation, but I shall forward your letter in order that the matter may be perfectly clear in the President's mind.

With kind regards,

I am,

Yours very truly,

President's Secretary.

Captain V. E. Henderson,
Kapuscasing Camp, Ont.

Dear Captain Henderson:

Of course we shall allow you to remain on duty at the Camp until the 15th of October. I suppose, however, that you are corresponding with Colonel Lang in order that he may have you recalled for duty with the C.O.T.C. I assume also that you have made arrangements as to the work of the department, or that announcement will be made as to when it will begin.

I have been confined to the house for a week, but hope to be out again shortly.

With kind regards, I am,

Yours sincerely,

President.

Professor V. E. Henderson,

Kapuskasing Camp.

Dear Professor Henderson:

I am sorry that you are to be kept at Kapuskasing until the 25th, but we must bow to military necessities, and your leave is extended. We shall be glad to see you back, as doubtless you will be glad to return.

Yours sincerely,

President.
